# ASSIGNMENT

WHEREAS, I, Donald-Bane Stewart (name) of 4 (3F2) Lemington Road, Edinburgh EH3 9PD United Kingdom, have invented a certain new and useful invention entitled "Reduced Electrode Electrocardiography System" for which an International Patent Application designating the United States has been prepared and filed on August 2, 2004 receiving application number PCT/GB2004/003324 and for which an application for Letters Patent of the United States has been prepared and filed on January 5 2006, receiving Serial No. 10/563,657, and further identified as Attorney File No. 67316.000003;

NOW THEREFORE, be it known that I, the said inventor, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the Assignee do sell, assign and transfer unto said Assignee, Del Mar Reynolds Medical Limited, a United Kingdom corporation having a place of business at 43 Moray Place, Edinburgh EH3 6BT, its successors, legal representatives and assigns, the aforesaid application for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the invention in the United States or any other country; I also assign any right, title or interest in and to the said invention which has not already been transferred to the Assignee, I warrant that I have made no assignment of the invention, application or patent therefor to a party other than said Assignee and I am under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and I further agree to cooperate with the Assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming Assignee's exclusive ownership of the invention, but at the expense of said Assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to said Assignee, its successors, legal representatives and assigns, as the Assignee of the entire right, title and interest therein.

The undersigned hereby grant(s) the firm of Hunton & Williams as Assignee's attorneys the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document. It is understood and agreed that said Assignee's attorneys have represented only Assignee and will continue to represent only Assignee with respect to this invention.

IN WITNESS WHEREOF, the party hereto has executed this Assignment as of the date indicated hereunder.
